

# ANOTHER KING™ FEED WEIGHT GAIN SUCCESS STORY

36 Year Old

Issue: Can't put weight on.

Solution:  
King Feeds Weight Gain Program

- 1.) Check ability to chew/float teeth, if necessary.
- 2.) Worm if necessary.
- 3) Design appropriate calorie diet.
- 4.) Add 1# of Dr. Cheeke's YQ+ (intensive gut therapy to ensure proper digestion and absorption of nutrition) and 1-2# of Ultra 20/20 (extra calories and nutraceuticals for health and longevity)

RESULT:

6 weeks later: substantial weight gain (notice ribs, hips, tailbone and behind shoulder).
