INGREDIENTS

Wheat Millrun, Dehulled Soybean Meal, Calcium Carbonate, Distillers Dried Grains with Solubles, Ground White Corn, Cracked Corn, Recleaned Wheat, Recleaned Milo, Whole Oats, Popcorn, Ground Wheat, Ground Lima Beans, Fish Meal, Flax Seed, Yellow Peas, Sunflower Seed (Small Black Oil), Split Green Peas, Salt, DL Methionine, L-Lysine Hydrochloride, Manganese Sulfate, Zinc Sulfate, Ferrous Sulfate, Niacin Supplement, Vitamin E Supplement, Mineral Oil, Vitamin A Supplement, Sodium Selenite, Basic Copper Chloride, D-Calcium Pantothenate, Riboflavin Supplement, Menadione Sodium Bisulfite Complex, Vitamin D3 Supplement, Biotin, Pyridoxine Hydrochloride, Ethylenediamine Dihydroiodide, Thiamine Mononitrate, Vitamin B12 Supplement, Folic Acid, Hydrated Calcium-Sodium Aluminosilicate, Choline Chloride, Manganous Oxide, Zinc Oxide, Folic Acid, Selenium Yeast, Tagetes Extract (Aztec Marigold), Direct-Fed Microbials (Heat Stable cultures of Lactobacillus acidophilus, L. casei, Bifidobacterium bifidum, Enterococcus faecium and Aspergillus oryzae), Hydrolyzed Yeast, Menadione Dimethylpyrimidinol Bisulfite, Biotin Supplement, Ethylenediamine Dihydroiodide, Copper Lysine Complex, Zinc Methionine Complex, Manganese Methionine Complex, Cobalt Glucoheptonate, Niacinamide, Naturally Preserved with Mixed Tocopherols, Rosemary Extract, Ascorbic Acid & Citric Acid, Yucca Schidigera Whole Plant Powder, Betaine, Zinc Methionine Complex, Ethoxyquin (a vitamin preservative).

BARGERS LAY BLEND

A VISUAL FEAST FOR YOUR FLOCK

Grains, seeds and vegetables mixed with bantam friendly sized pellets provide a complete nutritional ration for the show or backyard laying bird that will leave them clucking for more.

This unique lay blend is a result of a collaboration between L.A. Hearne Co. and Donald Barger, licensed poultry judge for the APA (American Poultry Assoc.) and the ABA (American Bantam Assoc.).

Bargers Lay Blend is optimized for health, production and showing.

RICH IN OMEGA 3's

Flax and black oil sunflower seeds promote shiny, glossy feathers, weight gain and contribute to the production of heart, healthy eggs.

MULTIPLE PROTEIN SOURCES

Peas add visual appeal and a highly digestible vegetable protein with an excellent amino acid profile. Fish meal adds animal protein with high levels of essential amino acids, fatty acids, vitamins and minerals.

A POWERFUL BLEND OF GRAINS

Corn, wheat, milo, oats and wheat combine for an energy filled, highly palatable feed.

PRE AND PROBIOTICS

A healthy, digestive tract can minimize diarrhea, increase feed conversion, maintain healthy weight and support quality egg production.

BETAINE

A powerful ingredient that increases digestibility and reduces heat stress.

VITAMINS AND MINERALS

Added vitamins and minerals support growth and reproduction. Bargers Lay Blend includes Calcium, Phosphorus and Vitamin D for quality egg shells and Vitamin A for rich, golden, yellow yolks.

FRESHER SMELLING COOPS

Known for its anti inflammatory properties, whole plant yucca also aids in reducing ammonia odors.

Barger's Lay Blend is tried and proven with breeders who are seeing less feed waste and improved feather quality.
